

## Sea of Words

Literacy lift minds to boundless heights.

Ink and paper encourage us to read and write.

Turning pages, starts our voyage magically.

Every word feels like a different sea,

Reading carefully every line,

Analyzing sentences, where meaning aligns.

Critiquing information, with careful inspection,

Yearning for knowledge, with devotion.

Constructed criticism might be.

Reflecting on every tales we read and see.

In the world of literacy, we are lost.

There are lessons in every fables.

Investing time in every books

Connecting our life in every word we took

In every author's work, a journey starts.

Sharing their emotions with a craft, where words are art.

Making it a passion, author's breathe life in the literary world.
